

O O bet365

Horror isn't an element only in movies or literature. Artists throughout the time have painted many –repulsive and ghastly themes. For example, an elderly man is devouring his own son, a beautiful lady is beheading her enemy, and a sculpture of a faceless head is pouring a thick, black fluid.

Horror can be considered an art that forms an unease in the viewer and strikes as a temptation in a very unusual way. While horror could appear grotesque and gory most of the time, it could also be sublime and subdued.

The significance of horror in art - RTF | Rethinking The Future
